

Gifts That Give

Because **the majority of St. Jude funding comes from generous donors**, St. Jude has the freedom to focus on what matters most—saving kids regardless of their financial situation. **Every dollar makes a difference.**

Help **cover about two-thirds of the cost of one day of chemotherapy**: Treatments invented at St. Jude have helped push the overall survival rate for childhood cancers from 20% when the hospital opened in 1962 to more than 80% today.

When you make a donation using this information, your donation will be used to provide breakthrough research, treatment and cures. Items listed here are representative of services and supplies that are part of the treatment and care of children at St. Jude. The cost of each item or service is an approximation, and will vary based on actual costs incurred and individual patient needs. Your donation will be used for the general operating needs of St. Jude, where no family ever receives a bill for treatment, travel, housing or food.
